

HELP END AIDS AND SAVE MONEY ON YOUR CAR

I want to support my friend Cindy in her heroic effort to raise money to help end this terrible plague. So... for every dollar you donate to Cindy's ride I'll take Two Dollars off(*up to \$100*) any repair or maintenance you have done in my shop between now and April 15.

If enough of us help we can end this awful pandemic.

MY NAME IS CINDY - I'M RIDING TO END AIDS
[HTTP://WWW.AIDSLIFECYCLE.ORG/4876](http://www.aidslifecycle.org/4876)

From June 3-9, 2007, I'm bicycling in AIDS/LifeCycle. It's a 7-day, 545-mile bike ride from San Francisco to Los Angeles to make a world of difference in the lives of people living with HIV and AIDS.

The Aids lifecycle provides a reminder that the rate of HIV infection is increasing, particularly in communities of color and in individuals under the age of 25. In California alone there are 60,000 people living with AIDS, and another estimated 91,000 living with HIV, many unaware of their infection.

Cindy's Goal: \$5000.00
Current Total: \$350.00

Help me support the San Francisco AIDS Foundation by giving what you can. We'll keep riding until AIDS and HIV are a thing of the past.
